SKU: CBMOSIN

Mosin Nagant Rifle Muzzle Brake 4.23" Long; This Mosin Nagant muzzle brake compensator combat style comes with a Limited Lifetime Warranty High Quality all Steel Construction. The brake reduces recoil up to 50-75% and reduces muzzle climb up to 60-80% depending on the ammo load. Made for Mosin Nagant Rifle M44, M38 and Type 53 Mosin Nagant rifles. The brake clamps on to barrel and locks in place using the thumb screw / retaining screws and looks great. The brake reduces muzzle climb by directing gas upward through 3 big gas ports. The recoil is diminished by 6 gas ports which direct gas at a 45° angle away from the weapon. The two gas streams cancel each other and absorb the force of recoil. This is one of the best looking

highest quality Mosin Nagant rifle brake on the market today at a great price.
